

INTERNAL / EXTERNAL
VACANCY

South Deep is recruiting!

This is an opportunity to bring your expertise to a dynamic and engaged team of professionals, working together to become the beacon of pride for our people, our communities, our stakeholders, and our shareholders.

At South Deep, we value each person's individual and collective contribution and support your ongoing development, helping you to achieve your career and our business aspirations.

POSITION: Engineering Learnerships – Diesel Mechanic

JOB GRADING: NG

DEPARTMENT: Human Resource Development

SITE: South Deep Gold Mine

South Deep Gold Mine is offering aspiring Employees and or prospective Applicants from within our Host Communities interested in pursuing a career in Engineering, the opportunity to enter into a formal Engineering Learnership programme.

To qualify as an Applicant from a Host Community you would need to:

- Be a resident of one of our Host Communities being Bekkersdaal, Zuurbekom, Thusanang, Hillshaven, Westonaria, Poortjie, Simunye, Kalbasfontein or Jachtfontein, and
- Successfully have passed the 4 x N3 Trade specific subjects as required by both the MQA and South Deep mine.

The programme offers practical work-based training and external technical training to enable learners to adapt effectively in the world of work and to qualify as artisans at the end of their programme.

Minimum Requirements:

- Grade 12 with Maths and Science
- Be in possession of full N3 qualifications with 4 subjects i.e., Engineering Mathematics, Engineering Science, Diesel Trade theory and Engineering Drawing
- Be declared medically fit for the position and environment, as determined by a risk-based medical examination at the Gold Fields Occupational Health Centre and pass a Heat Tolerance Screening test, and such other tests as may be required to assess the applicant's suitability for employment

NOTE: all relevant certificates must be attached to your CV in order to be considered for shortlisting
