

PROMOTIONS

25 October 2022

Congratulations on your promotion

Name

Munashe Mudarikwa

Job title

Trackless Mobile Maintenance Overseer

Who are you, and where were you born?

I am the first born in a family of 3 children and was born in Masvingo, Zimbabwe.

Provide one word that describes you

Perseverance

When did you develop an interest in what would become your career?

When I was in high school. I was screened into a category that majored in subjects for science (Mathematics, Physics, Biology and Chemistry).

What motivated you in the discipline?

Engineering gives me a chance to make a difference in the world using my hands and brain.

What has surprised you most about South Deep?

Strides that we have made in a space of 3 years or so in terms of safety performance and improvements in asset reliability.

What do you like most about your profession?

There is no room for assumptions, one needs to be factual.

If there is one thing you could change at South Deep what is it and why?

Improve the lifespan of major components on our TMMs by eradicating oil contamination, repairing oil leaks and adhering to oil change-out intervals.

Who is the person that has influenced your life, career progression and how have they done it?

My mother, a widow that believed in me and gave me all the support that I needed. She was very prayerful and taught me to believe in myself.

What might someone be surprised to know about you?

What is your life philosophy?

GOLD FIELDS

I can play a tune or two on 3 musical instruments (guitar, mbira and marimba).

Never give up.

What do you enjoy doing in your spare time?

I enjoy watching football matches and going out with family and friends.

Where do you see South Deep in the next five years?

I see South Deep leading in so many fronts in the industry especially in the condition monitoring area.

How is South Deep going to get there?

By embracing new technologies and initiatives in our industry.
